READING DIRECTIONS

This book reads from *right to left*. Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

A FAIRY IN NEED

Chise has taken great strides in overcoming her dark past, and is ready for a brighter future at Elias' side. As for the magus himself, he is finally able to put a name to the strange emotion he's been feeling for Chise. Meanwhile, a deadly threat looms. When a panicked fairy appears at Chise's bedside, begging for help, is there anything the young, novice mage can do...?
